

Instructions for Logging in to CANVAS:

We would like to introduce our new Online Course Management System...Canvas. While we will continue using PowerCampus Self-Service as our web-based student portal, our ONLINE COURSES will be delivered through Canvas. If you have signed up for online courses, then you will visit Canvas to receive instruction, get your assignments and submit your assignments. Again, this is solely for ONLINE COURSES only.

To get to Canvas:

PLEASE NOTE THAT YOU MUST HAVE AN EDWARD WATERS COLLEGE EMAIL ADDRESS IN ORDER TO RECEIVE CANVAS CREDENTIALS.

You will be sent an invitation to the classes that you are registered for and will need to log into your Edward Waters College email account and accept the invitation that has been provided.

To get to Canvas, click on the "Canvas Online Courses" link located on the EWC Website (www.ewc.edu). Click on the canvas icon.

Once you've clicked on this link, you will be taken to the *Edward Waters College Canvas Log-In Screen*. Once this screen pops up, enter your credentials for Canvas. See below for your credentials.

- **Login:** *Your Edward Waters Email Address*
- **Password:** *Type the word **edward** (in all lowercase) and the last four digits of your Social Security number (example below)*

(For example, let's use a sample student named John Doe. His social security number is 123-45-6789. So, John's Canvas password would be: **edward6789**)

If you have any issues with logging in, do not know your Edward Waters College email address or any questions about determining your password, please contact the Edward Waters College IT department help line at (904) 470-8170 (or support@ewc.edu). If you have issues within your course, please contact Canvas help desk by clicking Help on the left hand side menu in Canvas once you log in.
